

APPENDIX E

UMORE PARK
LIST OF HISTORICAL AND ENVIRONMENTAL DOCUMENTS

Gopher Ordnance Works Decontamination - Completion Report, dated August 16, 1946, U.S. Army Ordnance Department.

Inspection of Decontaminated Areas Gopher Ordnance Works, dated April 28, 1947, U.S. Army Ordnance Department.

Memorandum, Subject: Disposal of Ordnance Plants, dated March 12, 1948, from John W. Phillips, Acting Director, Compliance Enforcement Division to W. L. Godman, Deputy Administrator, Office of Real Property Disposal.

Effects of Landfill Disposal of Chemical Wastes on Groundwater Quality, dated July 1973, Prem K. Saint.

Letter to U.S. Transformer, Inc. regarding final analysis on soils sampled for PCB's, dated October 6, 1978, Minnesota Pollution Control Agency.

A Preliminary Report of Investigations of Solid and Hazardous Waste Disposal Practices at the Gopher Ordnance Works and the University of Minnesota, dated June 18, 1984, Ronald Spong, Environmental Health Specialist.

Letter regarding RCRA Hazardous Waste Inspection, University of Minnesota, Rosemount, Storage Facility, dated July 3, 1984, Minnesota Pollution Control Agency.

Letter of request of a Hydrogeological Study, dated July 27, 1984, Minnesota Pollution Control Agency.

Groundwater Contamination, Rosemount Research Center, dated August 1, 1984, University of Minnesota.

Letter to Dole Explosives regarding Information Request Pursuant to Section 17, Subd 3 of the Environmental Response and Liability Act, dated August 2, 1984, Minnesota Pollution Control Agency.

Letter to the University of Minnesota regarding Information Request Pursuant to Section 17, Subd 3 of the Environmental Response and Liability Act, dated August 2, 1984, Minnesota Pollution Control Agency.

Response letter regarding pollution problem at the Rosemount Research Center addressed to MPCA, dated August 6, 1984, International Union of Operating Engineers Local 49.

Phase I Report, Rosemount Research Center, dated February 1985, Soil Exploration Company.

Ordnance Works - Condemnation, Construction, and Community Response, Dooley, Patricia L., Minnesota History, Summer 1985.

Defense Environmental Restoration Program, Site Survey Report, Rosemount Research Center, Formerly Gopher Ordnance Plant, dated July 1985, US Army Corps of Engineers.

First Quarter Summary Report, Phase II Remedial Investigation, Rosemount Center, University of Minnesota, August 27, 1985.

Letter regarding Public Meeting, dated August 28, 1985, University of Minnesota.

Informational memo regarding Soil and Ground Water Contamination at the Rosemount Research Center, dated August 28, 1985, Minnesota Pollution Control Agency.

List of Commercial Tenants at the Rosemount Research Center, dated October 1, 1985.

Dakota County Report on RI, dated April 11, 1986.

Final Supplemental RI Report, Rosemount Research Center, Rosemount, MN, dated August 15, 1986, International Technology Corporation.

Letter Report, Investigation of the Porter Electric Area, Rosemount Research Center, prepared by International Technology Corporation, dated September 5, 1986.

Evaluation of Waste Disposal Burn Pit Alternate Water Supply Sites and Existing Well Abandonment Procedures, University of Minnesota, Rosemount Research Center, dated September 29, 1986, Twin City Testing,

Oxidation Pond Study, dated November 1986, International Technology Corporation.

Ground Water Interim Response Action Plan, University of Minnesota, Rosemount Research Center Site, dated November 11, 1986, Delta Environmental Consultants.

Minnesota Enforcement Decision Document, dated December 4, 1986, Minnesota Pollution Control Agency.

Remedial Investigation Final Report, George's Used Equipment Site, U.S. Transformer Site, Coates Dump Site, Oxidation Pond, Former Process Water Lagoon, Rosemount Research Center, University of Minnesota, dated 1986, prepared by Twin City Testing Corporation.

Letter Report: Installation and Sampling of Wells PW-1 and GW-2 at George's Used Equipment Site, Rosemount Research Center, dated February 4, 1987, International Technology Corporation.

Summarization Letter to the MPCA regarding recent activities performed at Rosemount Research Center (associated with the chloroform groundwater contamination project; the PCB soil contamination project; the Coates Dump; the Oxidation Pond; the 155th Street Dump; and the Astro-Reese site), dated February 10, 1987, University of Minnesota.

Letter regarding Notice of Violation, Rosemount, Wastewater Evaporation/Infiltration Lagoon, from the MPCA to Robert A. Silvagni, University of Minnesota, dated May 26, 1987.

Rosemount Oxidation Pond, prepared by International Technology Corporation, dated June 4, 1987.

Site Sewer Investigation, University of Minnesota, Rosemount Research Center, Rosemount, Minnesota, dated June 12, 1987.

Notice of Violation, Rosemount, Wastewater Evaporation/Infiltration Lagoon, prepared by International Technology Corporation, dated June 15, 1987.

Memorandum to Steve Reinfeldt, Project Manager, dated June 29, 1987, MPCA GWSW Division.

Draft Report for Confirmation Study at Former Gopher Ordnance Plant, Rosemount, Minnesota, Contract No. DACW 45-86-D-0007, DERA Project No. E05MI002500, dated October 1987, prepared by Donohue Engineers Architects.

RCRA Facility Assessment Site Visit Report, University of Minnesota - Rosemount Research Center, dated December 16, 1987, prepared by MPCA.

Letter regarding Hazardous Waste Demolition Site from the U of MN to David Estenson, City of Minneapolis Police Department, dated January 8, 1988.

Letter from the U of MN to James Backstrom, County Attorney, Office of Dakota County, dated March 10, 1988.

Final Report, Phase II Ground Water Investigation, George's Used Equipment Site, Rosemount Research Center, prepared by International Technology Corporation, dated April 21, 1988.

Final Report, Soil Contamination Investigation, George's Used Equipment Site, Rosemount Research Center, prepared by International Technology Corporation, dated June 7, 1988.

TES IV, Contract No. 68-01-7351, Work Assignment No. R05006 RCRA Facility Assessment, Final Sampling Visit Report, University of Minnesota, Rosemount, Minnesota, dated June 1988, prepared by Jacobs Engineering Group, Inc.

Closure of Old Coates Dump Site, dated October 4, 1988.

Letter from the U of MN to City of Rosemount, dated March 21, 1989.

Record of Decision, University of Minnesota Rosemount Research Center, dated June 29, 1990, prepared by US EPA.

Soil Exploration, Remedial Investigation, Rosemount Agricultural Experiment Station Petroleum Release Site, dated May 31, 1991, prepared by STS Consultants, Ltd.

Excavation Report for Petroleum Release Site, University of Minnesota, Rosemount Research Center, 15325 Babcock Avenue, Building 717A, Rosemount, Minnesota, MPCA Leak No. 4928, Nova Project No. M91-M32, dated February 18, 1992, prepared by Nova Environmental Services, Inc.

Letter to Sarch Sevcik, MPCA, dated March 15, 1993, prepared by University of Minnesota.

Letter to Elizabeth Gawrys, Permit and Review Unit of the MPCA, dated September 3, 1993, prepared by University of Minnesota.

Underground Storage Tank Closure Report, Tank Site #518, Rosemount, Minnesota, ATEC Project #55-07-94-00076, MPCA Site ID #7504, dated August 3, 1994, prepared by ATEC Associates, Inc.

Underground Storage Tank Closure Report, Gasoline Tank at Agricultural Engineering, Rosemount, Minnesota, ATEC Project #55-07-94-000076, MPCA Site ID #7504, dated August 3, 1994, prepared by ATEC Associates, Inc.

Remedial Investigation, 2375 160th Street West, Rosemount, Minnesota, dated August 3, 1994, prepared by STS Consultants, Ltd.

Letter regarding Teleconference Discussion, Underground Storage Tank Release, University of Minnesota Agricultural Experiment Station, Rosemount, Minnesota, MPCA Site ID#: LEAK00002529, dated August 30, 1994, prepared by Peer.

Limited Phase I Environmental Site Assessment, University of Minnesota, Rosemount Research Center, Navy Satellite Complex, dated January 16, 1995, prepared by EnecoTech.

Pesticide Underground Storage Tank Closure Report, University of Minnesota Experimental Station, Rosemount, Minnesota, dated January 24, 1995, prepared by Peer.

Limited Phase I Environmental Site Assessment, Rosemount Research Center, Jensen Field Landing Strip, dated February 14, 1995, prepared by EnecoTech.

Closure Work Plan, Buildings A, B, C, D, E and F, Rosemount Research Center, Rosemount, Minnesota, dated March 27, 1996, prepared by Peer.

Geohydrologic Study No. 38-EH-5630-96, Navel Satellite Operation Center (NAVSOC), Detachment Bravo, Rosemount, Minnesota, dated September 10, 1996, prepared by US Department of the Army.

Closure Certification Report, Buildings B and F, Rosemount Research Center, Rosemount, Minnesota, dated September 17, 1996, prepared by Peer.

Closure Certification Report, Building C, Rosemount Research Center, Rosemount, Minnesota, dated September 17, 1996, prepared by Peer.

Closure Certification Report, Buildings A and E, Rosemount Research Center, Rosemount, Minnesota, dated January 10, 1997, prepared by Peer.

Phase I Environmental Assessment, Dakota County Parcel, Blaine Avenue and 170th Street West, Rosemount, Minnesota, Delta Project No. A086-054, dated May 29, 1997, prepared by Delta Environmental Consultants, Inc.

Five Year Review Report, University of Minnesota Rosemount Research Center Site, Rosemount, Minnesota, dated June 6, 1997, prepared by MPCA.

Environmental Assessment of the Dakota County Highway 46 Alignment Via the University of Minnesota Rosemount Research Center and Agricultural Experiment Station, dated October 1997, prepared by Dakota County environmental Management Department.

Environmental Assessment, Former Burn Pit and East Borrow Pit, University of Minnesota, Rosemount Research Facility, Rosemount, Minnesota, prepared by Delta Environmental Consultants, Inc., dated December 15, 1997.

Rosemount Research Center Site Inspection Report, dated January 12, 1998, Minnesota Pollution Control Agency.

Closure Certification Report, Building D, Rosemount Research Center, Rosemount, Minnesota, dated July 22, 1998, prepared by Peer.

Monitoring Well Abandonment, University of Minnesota Rosemount Research Center, Rosemount, Minnesota, Delta Project No. A086-054, dated October 2, 1998, prepared by Delta Environmental Consultants, Inc.

Letter to Elizabeth Gawrys, MPCA, dated April 5, 1999, prepared by University of Minnesota.

Memorandum to Deputy Commander, Northwestern Division, Missouri River Region, dated October 14, 1999, Kenneth Cooper, Deputy District Engineer.

Legal, MERLA Affidavit, Rosemount University of Minnesota, dated November 5, 1999.

Legal, Deed Restrictions, University of Minnesota, dated January 3, 2000.

Letter to MPCA, dated January 7, 2000, Department of the Army.

Navy Satellite Operations Center, Detachment Bravo, 14952 Akron Ave., Rosemount, Minnesota, prepared by Department of the Navy, Naval Facilities Engineering Command, North Charleston, SC, dated January 10, 2000.

Letter to Service Environmental Engineering, dated June 7, 2000, MPCA.

Letter to US EPA, dated October 5, 2000, MPCA.

Letter to Francis Lyons at the US EPA Region V, dated October 5, 2000, prepared by the MPCA.

Letter to University of Minnesota, dated November 4, 2000, MPCA.

Federal Register Environmental Documents, dated December 8, 2000, EPA.

Memorandum to University of Minnesota, dated March 22, 2001, Service Environmental Engineering.

Letter to University of Minnesota, dated May 31, 2001, Minnesota Pollution Control Agency.

Email from Kenneth Schlessinger, National Archives at College Park to David Douglas at the MPCA, dated September 10, 2001.

2001-2002 Ground Water Monitoring Results, University of Minnesota Rosemount Research Center, Rosemount, Minnesota, Delta Project No. A086-054, University of Minnesota Purchase

Order No. 554-61875946, dated February 28, 2002, prepared by Delta Environmental Consultants, Inc.

Limited Site Investigation Report, Building 719 Blaine, University of Minnesota, Rosemount Research Center, Rosemount, Minnesota, dated October 26, 2002, prepared by Meisch & Associates, Ltd.

Letter to Paul Giebel, Heartland Gardens regarding Notice of Violation, Heartland Gardens, Empire Township, Rosemount Research Center, dated April 7, 2003, prepared by MPCA.

Letter regarding Notice of Violation, Heartland Gardens, Empire Township, Rosemount Research Center, from the MPCA to Paul Giebel, Heartland Gardens, dated April 7, 2003.

Preliminary Environmental Investigation, Former Gopher Ordnance Works, U/More Park, Rosemount, Minnesota, prepared by Peer, August 19, 2003 (Peer File #11717).

Master Plan for UMore Park, dated July 2004, prepared by the UMore Park Management Team.

Environmental Baseline Survey, Naval Reserve Intelligence Center, Rosemount, Minnesota, dated September 13, 2004, prepared by Versar Inc.

Evaluation and Assessment of the Former Gopher Ordnance Works at UMore Park Rosemount, prepared by Dakota County Environmental Management Department, circa 2004.

List of Former Tenants of the Rosemount Research Center, prepared by the University of Minnesota, 2006.

Preliminary Assessment Report, Final, 1947 Quitclaim Property, Former Gopher Ordnance Works, Rosemount, MN, dated March 2006, prepared by U.S. Army Corps of Engineers - Omaha District.

A Historical Interpretation and Preservation Plan for UMore Park, dated April 2006, prepared by John Lauber Historic Preservation and Community Planning.

Fire Protection Plan, University of Minnesota, Agricultural Experiment Station, Rosemount, prepared by the University of Minnesota,
